

PC ASSURANCE PLAN

Midessatech has taken the guesswork out of PC Maintenance. Experience has taught us that proactive, routine maintenance and monitoring of your computer health is the best way for us to serve our customers. We have packaged a maintenance solution by offering the **PC Assurance Plan** to our clients. This service gives you instant tech support with **LogMeIn Remote Access**. (Which you can also use to remotely access your computer) We protect all your important data by keeping you safe with our **Carbonite Online Backup Component** and **Symantec Endpoint**. This service includes regular checkups whereby we login and verify antivirus and backups are working and check performance issues.

LogMeIn Remote Access	Online Backup Component	Antivirus Security
<p><i>One click away from secure and fast computer help!</i></p> <p>Midessatech uses <i>LogMeIn</i> to fix many computer issues while saving us all time. No need for a meeting, just inform Midessatech of your situation and we can automatically log in and fix most computer and printer problems. Don't let a slow-running computer slow down you or your business!</p> 	<p><i>Avoid Data Loss – Save Money</i></p> <p>Secure, Affordable & Efficient! Rest easy knowing your files are safe with <i>Carbonite Backup</i>. Midessatech uses Carbonite to completely backup your PC and Servers once a month to assure any new files or important data is never lost due to computer failure or damage.</p> 	<p><i>Stay Safe Online</i></p> <p>We use <i>Symantec Endpoint</i> for exceptional layered security that protects all your devices, email communication, and web traffic across all of your computers. Protect yourself from identity theft, deletion, spam, corrupted data and more!</p> 

PC Assurance Plan protection from downtime and data loss!
